TITLE

AIDS Research Donors

DESCRIPTION

Progressive individuals with a devotion to medical victories over AIDS have been organized into this premium mailing list with optional opt-in email addresses. This marketing data consists of liberal donors and contributors who actively support organizations that fund AIDS research. The donated funds have gone towards assisting and expediting the formulation of a cure and treatments for HIV and AIDS, and towards methods which will stop the spread of this often deadly disease domestically or overseas. All marketing data points, self reported and public, are audited and double verified each month through 2 or more organic sources ensuring superior accuracy and a receptive and responsive audience.
