Investors Who Donate to the Arts

DESCRIPTION

The cultural enthusiasts in this premium mailing list with optional opt-in email addresses are active patrons of fine art galleries, museums, and ballet and opera companies. The wealthy benefactors in this marketing data make monetary donations for the preservation, expansion, and promotion of the arts as well as stay actively involved in formal functions and fundraisers. Many are collectors of investment grade artwork and have also donated private pieces for public view. All marketing data points, self reported and public, are audited and double verified each month through 2 or more organic sources ensuring superior accuracy and a receptive and responsive audience.
