TITLE

Small Business Owners Insurance Inquirers and Responders

DESCRIPTION

Small business owners and entrepreneurs of businesses typically ranging from five to twenty-five employees that have made a qualified inquiry regarding life and/or health insurance for themselves or their employees are collected in this database. These entrepreneurs and business owners self-report that they are not satisfied with their current insurance and are in the market for a new plan, or have expressed an interest to add to their company's current life and/ or health insurance policy within the last 12 months. This premium mailing list of confirmed business addresses with optional verified telephone numbers and opt-in email addresses is a collection of independent small business owners, presidents, or CEOs who are primary decision maker for the company. All marketing data points, self-reported and public, are audited and double verified each month through 2 or more organic sources ensuring superior accuracy and a receptive and responsive audience.
